Introducing...

MISSDUBAI36

Residing in the dazzling city of Dubai, MissDubai36, a 36-year-old South African of Indian heritage, is an extraordinary individual. Her stature at 5'7" is only a glimpse into her towering accomplishments as a social media personality and renowned TV star. She exudes positivity, compassion, and intelligence, guided by her modern Muslim and spiritual values.

Hailing from South Africa but rooted in Dubai for over a decade, MissDubai36 was nurtured with the virtues of hard work, humility, and the paramount importance of family, principles she holds dear to this day. With a lifestyle that entails globetrotting for work, she is no stranger to luxury. As an ambassador for a women's achievements group, her fervour lies in creating a positive impact.

Divorced for four years, MissDubai36 is a dedicated mother to her 5-year-old son who shares her home. When it comes to her ideal partner, she seeks a gentleman aged 30 to 47, a devout Muslim, a beacon of positivity, and a successful, well-established business owner with strong family ties.
